

# Test 2.1 - Mengen Airport

**KEY**

- Route to TS 2.1
- Route of Test 2.1
- Route TF 2.1 - TC 2.5
- Route away from TC 2.5
- Cone/other marker

**Test procedure**

1. On arrival at the circuit proceed immediately to TS 2.1 using the route shown in green on the map.
2. The marshal at TS 2.1 will record a time on your time card and will control your entrance onto the circuit to try to space cars evenly. If there is a significant delay he will also be able to give you an arrival time.
3. From the end of the pit lane, join the circuit and complete most of a lap to familiarise yourself with the track and keep right of Point X
4. You are timed as you cross the Timing Line. If you do not cross the line at all you will be penalised 15 minutes for not participating in the test.
5. The time of the first complete lap (ie between the first and second crossing of the start/finish line) is your individual Target Time. This must be between **1min 46secs** and **2min 40secs**. If it is outside this window you will be penalised 3 minutes.
6. You must then drive three more complete laps in a time as close as possible to your Target Time. For each second below or above the individual target time on each lap, a 1 second penalty will be applied (except for the first second each way).
7. During one (and only one) of these three timed laps, you must make the shortcut to pass Point Z. Failing to use this shortcut or using the shortcut more than once will attract a penalty of 3 minutes. Your individual Target Time remains the same for the shortcut lap.
8. You **must not stop** anywhere on the circuit or slow unduly in the vicinity of the start/finish line, doing so will attract a penalty of 3 minutes.
9. After your fourth complete lap (ie after passing to the right of Point X for the fifth time) continue around the circuit for most of a further lap and exit by passing to the LEFT of Point X as shown on the diagram. If you complete too many or too few laps you will be penalised 3 minutes.
10. Stop at the marshals at TF 2.1 who will record the time that you left the circuit.

After finishing the Test, follow the route marked in red to TC 2.5 in Cafe Volare. Please park in the areas marked in blue.
